

Neighbors,

On July 31, 2023, the ANC will have a Special Meeting to discuss and possibly vote on a Draft Resolution on a Raze application for 6008 34th Street, NW, Maret's Historic Preservation Review of application for a permit/redevelopment of the athletic field at ECC, and discuss the future ANC 3/4G's meeting format.

ANC 3/4G is holding this Special Meeting ahead of our next regularly scheduled meeting (September 11, 2023) because two agenda items have ANC review periods that occur during the ANC's August recess. The ANC has opted to deal with both matters ahead of our recess period. The July 31st Special Meeting was posted on the ANC's FaceBook page and Chevy Chase Chatter on July 24, 2023, and on its website at 12:03 am on July 25, 2023. Further notice, to include the July 31st meeting page, is provided in this mailing.

The July 31, 2023 meeting page can be found [here](#) and contains the meeting time, location, online registration link, agenda, and draft resolution(s).

Thank you,

Lisa R. Gore,
Chair, ANC 3/4G
